

Bharosa #Guaranteed Returns Ka

With

Give your loved ones the **Bharosa** of #Guaranteed Returns today,
because for them **BHAROSA TUM HO**

Life is all about fulfilling your dreams for your loved ones. You plan to save for your milestones like your children's education, marriage and your peaceful retirement. However, in an environment, which is full of uncertainty and volatility, you need guaranteed assurance, that surmounts all such risks. We understand the significance of such milestones and secure your financial future by helping you pursue your dreams towards the accomplishment of these milestones with certainty.

Presenting Axis Max Life Smart Wealth Plan, which combines protection and savings into a simple and flexible solution to fulfill the certain as well as uncertain needs of your family and assures you and your loved ones a guaranteed smart life.

What this plan offers you

-  **Guaranteed returns**
Fully guaranteed benefits to help you save for your milestones
-  **Flexibility**
Flexibility to choose plan option as per your need - lump sum, short-term income, long-term income and whole life income
-  **Guaranteed additions under lump sum option**
Guaranteed additions that boost your maturity corpus under lump sum option
-  **Whole life income option with Joint Life coverage**
Flexibility to cover life of spouse under the same Policy with whole life income option
-  **Financial security in case of death**
Comprehensive death benefit in case of death of Life Insured during the Policy Term, provided the Policy is in force
-  **Tax benefit**
You may be eligible for tax benefits as per prevailing tax laws subject to changes in tax laws
-  **Enhanced protection through optional riders**
Additional rider(s) can be taken with the Policy to provide for additional protection as per your need

Variant 1

Mr. Dutta, a 35-year-old male with a 2-year-old son, wants to save for his child's higher education. He invests in the lump sum variant of the Axis Max Life Smart Wealth Plan; which offers guaranteed lump sum benefit when his child turns 18.

The above benefits are at the below mentioned modal point:

Gender: Male | Age: 35 years | Premium Payment Term: 8 years | Policy Term: 16 years | Mode: Annual

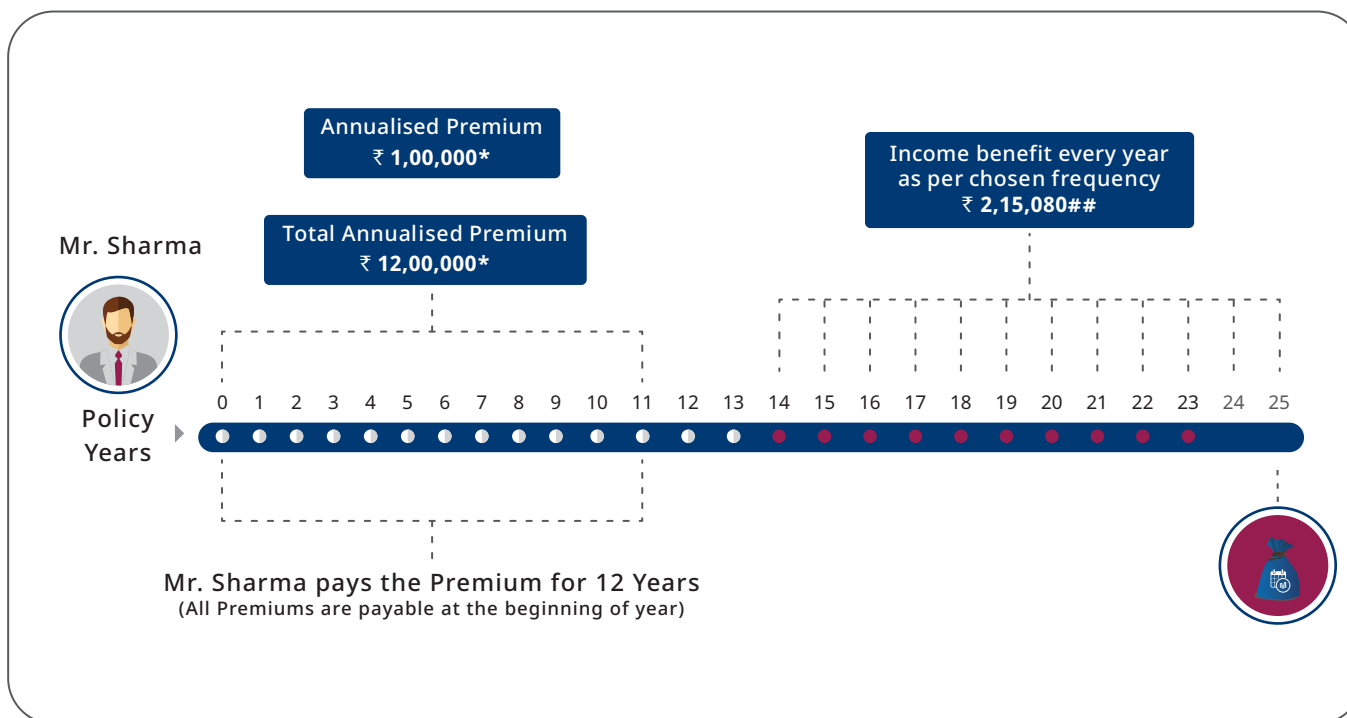

*Annualised Premium means Premium amount payable in a Policy Year, excluding any rider Premiums, underwriting extra Premium on riders and applicable taxes, cesses or levies, if any.

**Guaranteed additions is expressed as a percentage of annualized premium and varies by the entry age, premium band and gender of the Life Insured and the sub-variant selected. Guaranteed additions accrue at the end of the last four Policy Years, provided the Policy is either premium paying or fully paid up.

Variant 2

Mr. Sharma, a 35-year-old male, wishes to have a guaranteed secondary income, which will help him at the time of market uncertainties and also offers him assurance. He chooses to invest in the short-term income variant of the Axis Max Life Smart Wealth Plan, which offers guaranteed income irrespective of the market conditions, to meet his financial requirements.

The above benefits are at the below mentioned modal point:

Gender: Male | Age: 35 years | Premium Payment Term: 12 years | Policy Term: 13 years | Mode: Annual | Income Payout frequency: Annual

*"Annualised Premium" shall be the premium amount payable in a year excluding taxes, rider premiums, underwriting extra premiums and loadings for modal premiums.

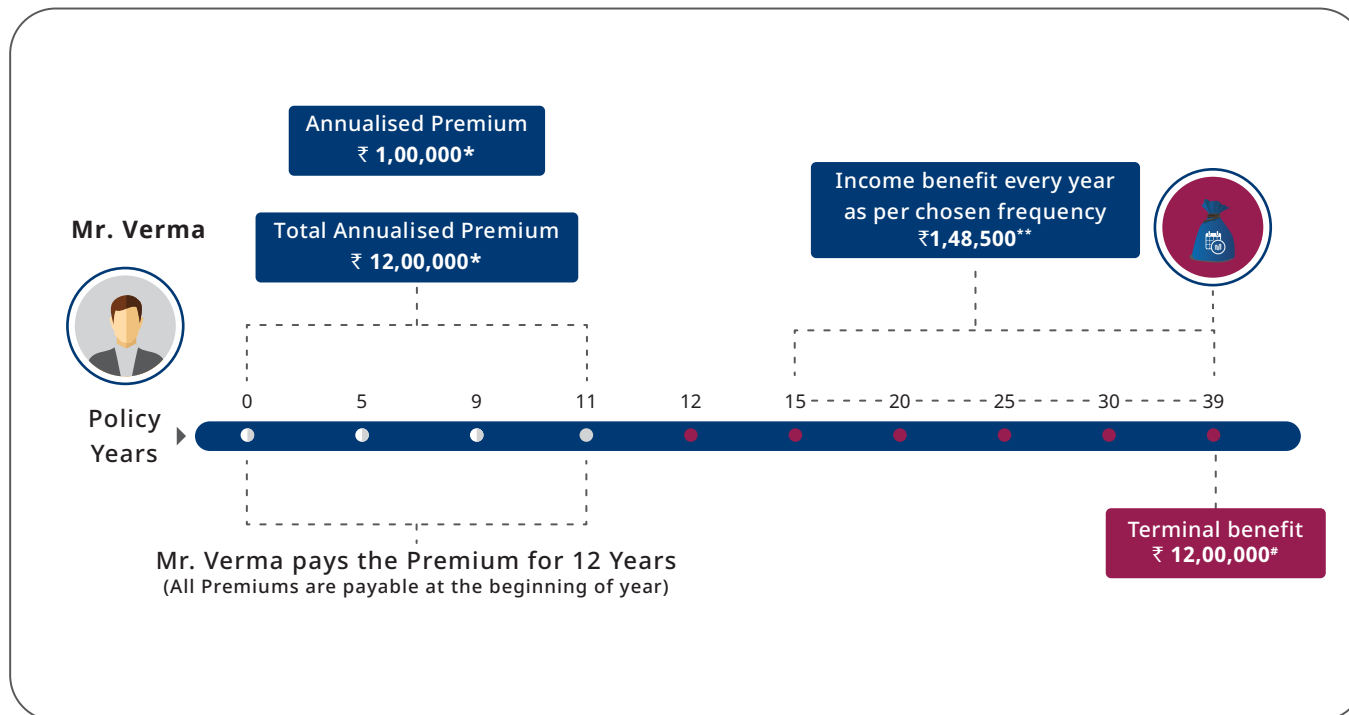

##A guaranteed income benefit is payable at the end of the period (monthly, quarterly, half yearly or annually) as per the frequency chosen, for the pay-out period as per the sub-variant selected by you, post completion of the Policy Term.

(At the inception of the Policy, you have the option to select income payment frequency as monthly, quarterly or semi-annually, post the application of modal factor).

Variant 3

Mr. Verma, a 35-year-old male, wants to plan his retirement at an early age. He is willing to invest ₹ 1 Lakh; and chooses the long-term income variant of the Axis Max Life Smart Wealth Plan, which offers a guaranteed income for 25 years to fulfil his daily financial requirements. Mr. Verma also gets a terminal benefit, equal to total premiums paid at the end of the income pay-out period.

The above benefits are at the below mentioned modal point:

Gender: Male | Age: 35 years | Premium Payment Term: 12 years | Policy Term: 14 years | Mode: Annual | Income Payout frequency: Annual

*"Annualised Premium" shall be the premium amount payable in a year excluding taxes, rider premiums, underwriting extra premiums and loadings for modal premiums.

##A guaranteed income benefit is payable at the end of the period (monthly, quarterly, half yearly or annually as per the frequency chosen, for the pay-out period as per the sub-variant selected by you, post completion of the Policy Term.

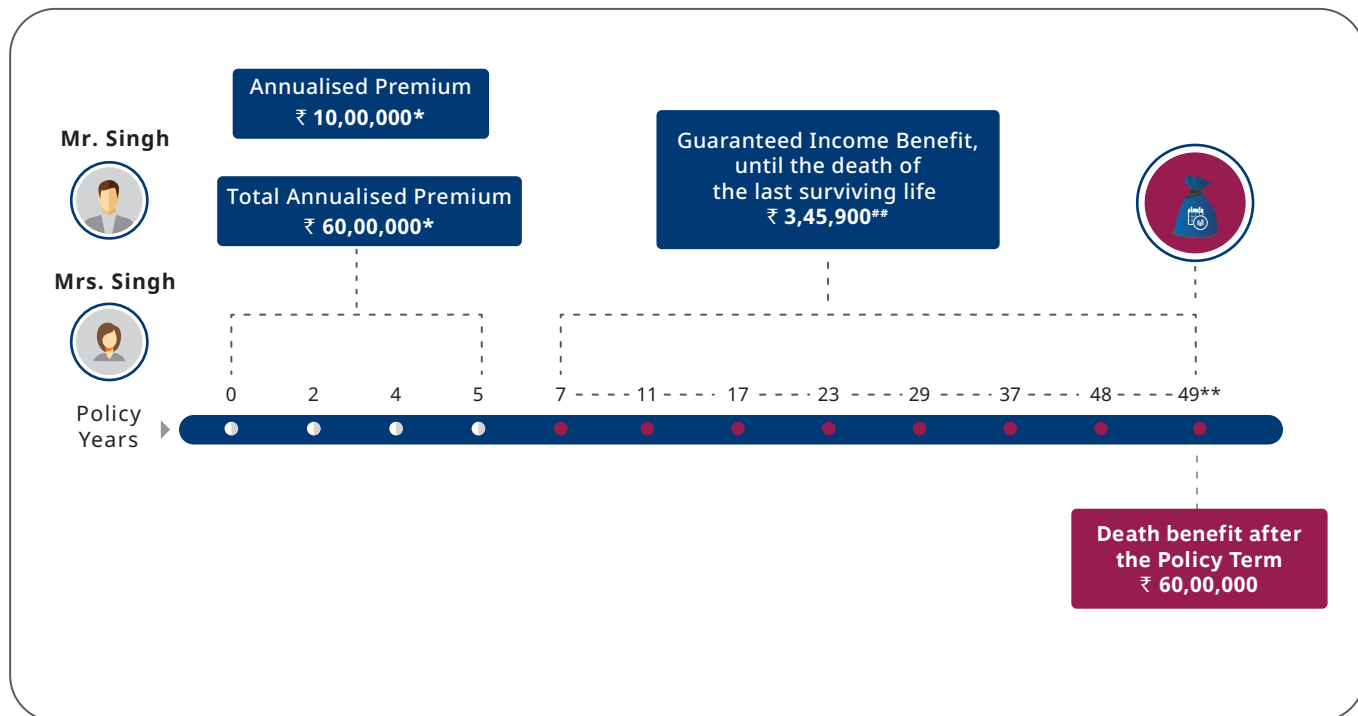

#At the end of pay-out period a "terminal benefit" equal to the total premiums paid, will be payable to the beneficiary.

(At the inception of the policy, you have the option to select income payment frequency as monthly, quarterly or semi-annually, post the application of modal factor).
